

## Flat Bed Rock Truck

### Dimensions & Max Capacity

#### ATTENTION

The Flat Bed truck can safely take a MAX of 11 Tons of stone. Hoppers are available, for a fee, that are able to take a max of 2 Cubic Yards of Sand or Gravel. **(NO BARKS OR SOILS)**

You can combine the hoppers with your stone order but keep in mind both the weight limit of 11 tons & the size of your boulders and pallets.

#### WE DO NOT PLACE STONE
